

親愛的友達企業採購網會員您好，由於部分郵件伺服器提供的過濾服務，可能將我們寄發給您的信件誤判別為垃圾信件，以致您收不到我們的來信；若是企業內部信箱，可連絡貴工公司網管，若您使用的是外部公司提供的郵件服務，您可以連至該Web Mail頁面進行設定，在此我們以HiNet信箱為例。

The screenshot shows the HiNet Web Mail interface. At the top, there is a navigation bar with the HiNet logo, a search bar, and links for 'HiNet首頁', '簡訊', and '我的網頁'. Below this is a banner for Christmas with the text '聖誕快樂!' and '最省錢的居家裝潢佈置'. The main navigation menu includes '網頁郵件', '通訊錄', and '牛爾特賣'. The current page is '個人設定' (Personal Settings), with a breadcrumb trail: '現在位置: 網頁郵件 > 個人設定'. The left sidebar contains various email management options like '寫新信', '信件匣', '收件匣', '草稿匣', '寄件備份', '垃圾桶', '垃圾信件匣', '我的信件匣', '外部信箱', and '線上輔導'. The main content area is titled '個人設定' and is divided into several sections: '一般設定' (General Settings) with options for '環境設定', '密碼設定', and '簽名檔設定'; '郵件管理設定' (Mail Management Settings) with options for '外部信箱設定' and '信件過濾規則設定' (highlighted with a red box); '垃圾信防護設定' (Spam Protection Settings) with '垃圾信防護設定'; and '付費服務' (Paid Services) with '網頁郵件解毒功能'.

友達企業採購網提醒您：

請在此設定郵件過濾規則，將主旨包含"友達"的信件歸類至您的收件匣，以免被伺服器辨識為垃圾信件。

The screenshot shows the '新增過濾規則' (Add Filter Rule) dialog box within the HiNet Web Mail interface. The dialog box has a title bar and a close button. It contains the following fields and options: '過濾規則名稱' (Filter Rule Name) with the value '過濾條件名稱#0'; '如果符合下列過濾條件...' (If the following filter conditions are met...); '寄件者' (Sender) set to '包含' (Contains) with a checkbox for '不分大小寫' (Case insensitive) checked; '且' (And) separator; '收件者/副本' (Recipient/Cc) set to '包含' (Contains) with a checkbox for '不分大小寫' (Case insensitive) checked; '且' (And) separator; '主旨' (Subject) set to '包含' (Contains) with the value '友達' (Friend) and a checkbox for '不分大小寫' (Case insensitive) checked; '就' (Then) separator; '將信件移至' (Move message to) set to '收件匣' (Inbox); and '啟動' (Enable) checked. At the bottom, there are '確認' (Confirm) and '取消' (Cancel) buttons.
